O R D E R:

In the reference 1st read above, the Director of Works Accounts stated that the Pay & Accounts Offices have been established entrusting with the payment functions as well as accounting functions and other audited related work of certain major projects with the nomenclature of a particular project for which the office was established. Subsequently, the entire Irrigation Department was brought under the payment functions of PAO Organization in the year 1994 and some more PAO offices have been established to cater the needs of the Department in way of expansion of the Organization. While doing so, the nomenclature of the Offices remains same with the area / name of the project area viz., PAO, Vamsadhara Project at Srikakulam, PAO, Yeluru Reservoir Project at Visakhapatnam, APAO, Nagarjuna Sagar at Hill Colony, APAO, Sri Ram Sagar Project at LMD Colony, Karimnagar and so on. Due to effective functioning of the Organization, Government have decided to entrust the payment as well as accounting functions of all the Engineering Departments such as Panchayat Raj, Roads & Buildings, Forests and Public Health to the PAO Organization w.e.f. 1.4.2001. Thereby the scope of the functioning of the department has considerably been expanded not only to the project works but also various other Engineering Departments. Government felt the necessity of bringing certain Corporations /Non-Engineering Departments into the ambit of PAO System in order to have better Financial Management. In a measure, Government have also entrusted the payment functions of the Engineering Works of Non-Engineering Departments and limited Corporations to the PAO Organization during the year 2006.

Therefore, the Director of Works Accounts proposed that it is more appropriate to change the present nomenclature of the Assistant Pay & Accounts Officer/ Pay & Accounts Officer of a particular project to that of Assistant Pay & Accounts Officer / Pay & Accounts Officer (Works & Projects) instead with a suffix of a particular project/ scheme as exists at present which has now become redundant in view of the changed scenario in the scope of the work of Organization.
